Sir:

Applicant appreciates the courtesies extended by Examiner Amy Vanatta to the Applicant's representative, Jungyon Shin, during the telephonic interview held on June 13, 2007. Applicant submits the following summary of the interview in accordance with MPEP 713.04. The comments appearing herein are substantially the same as those presented and discussed during the interview.

In response to Applicant's inquiry regarding the status of the application, the Examiner indicated that she has allowed the claims in this application and that the final rejection of the claims is overcome, such that no further action is required from Applicant at this time. The Examiner also indicated that the Office is reviewing an issue with the original reissue declaration, and that any communication from the Office to Applicant would be suspended until the Office decides how to resolve that issue, such that the Examiner cannot send out a notice of allowance at this time. Applicant understands that the Office will issue a communication regarding the original reissue declaration in about two weeks.

Accordingly, Applicant understands that the final rejection is overcome and that no further submission will be required until the receipt of an Office communication.

Respectfully submitted,
